Dear [redacted]:

Thank you for your letter of April 6. Can I conclude from the first paragraph that CIA has searched all its OPC and HICOG files and has found nothing relating to Barbie?

Since we are looking for HICOG files in a number of different archives, it would be helpful if you could tell me generally what HICOG files you have, and/or have searched.

Does CIA have all the OPC files? Again, it would be helpful to know just what you have examined in reaching your conclusion that there is nothing there about Barbie.

Sincerely,

Allan A. Ryan, Jr.
